

Give your employees the ability to fight back.

When their identity is stolen to restore their identity and good credit. Also included at no additional charge is a financial coaching component to help your employees learn to budget and develop good spending habits.

The Business Protector is designed to protect small to medium size businesses. After surveying more than 200 small business owners, U.S. Legal developed this plan to offer unlimited consultations, debt collection and contract and document reviews! Have recourse with attorneys experienced in business law to allow your business to be more successful!

Our dedication to making equal justice not just a right, but an affordable reality. We protect you!

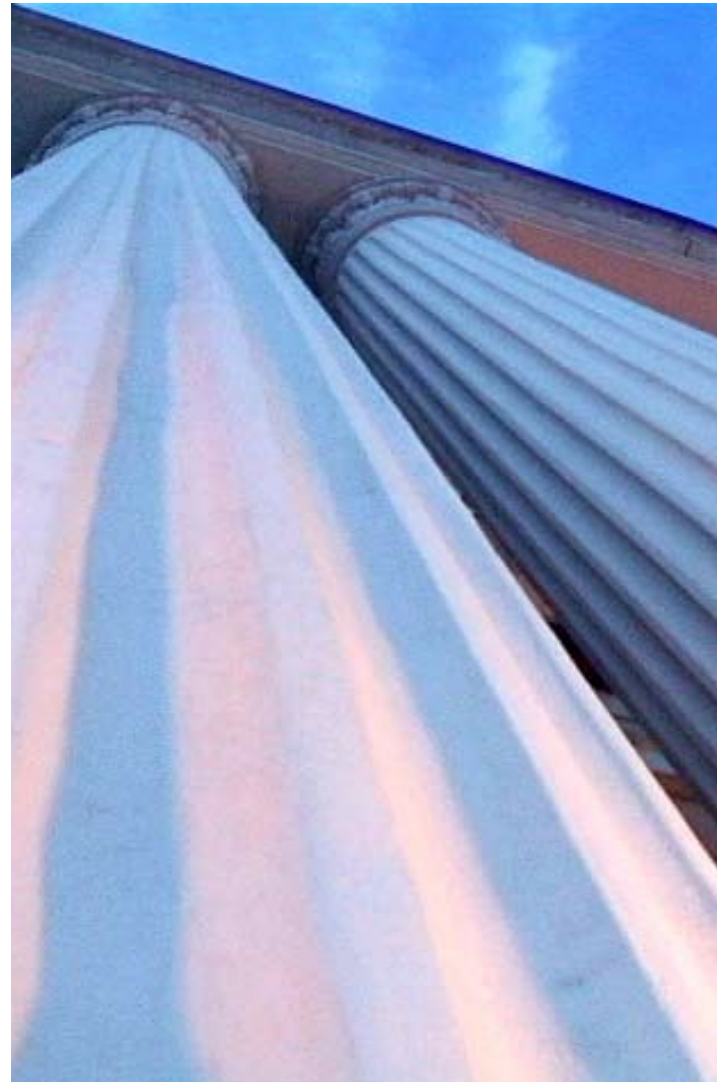

U.S. Legal provides services all across the United States, Canada, Mexico, Puerto Rico and the U.S. Virgin Islands.

U.S. Legal examines each of our attorney's background, bar history and experience. Each attorney undergoes an extensive interview process. We contract over 3,000 attorneys nationwide, all of whom are *Martindale Hubbel* rated and have an average of over 17 years of experience.

Our focus remains on our clients, with a personal and hands-on approach in addressing your legal needs. U.S. Legal offers an ease of administration and is a hassle-free addition to your current employee benefit offerings.

U.S. LEGAL OVERVIEW

U.S. Legal Services

Providing legal benefit plans.

U.S. Legal Services has been in business for 40 decades!

With stable and steady growth, we now offer the oldest and most comprehensive plans in the country with a nationwide attorney network.

We offer legal benefits to groups of all sizes all across the United States.

U.S. Legal is a managed benefit, not a referral service.

We pay virtually 100% of attorney fees.

Can you imagine having an attorney on retainer 24/7?

Now you can!

Employees have legal problems, but for various reasons hesitate consulting with an attorney. Have you ever thought about the costs employers absorb when an employee doesn't seek professional advice? These hidden costs include: lost work time, lower productivity and workplace disruption.

Our legal plans include:

- The Family Protector
- The CDL Protector
- The Identity Protector
- The Business Protector

Each plan offers a wide array of services catered to your specific needs.

The Family Protector is designed to protect individuals and their families with legal services available for divorce, child support and custody, traffic violations, debt, lawsuits and much more!

In addition, prevent absenteeism and improve employee morale. Show your employees you care by offering them a legal solution. And employees can't use this against you. Our program may be 100% employee paid and is provided as a benefit with no cost to the employer!

The CDL Protector is designed to prevent, or protect you and your driver, from any career-threatening moving, non-moving or D.O.T. violations!

CDL Protector is available to companies large and small. We supply current, accurate information to aid in annual D.O.T. audits and help to maintain and improve SafeStat ratings. We will even represent your company when cited with a D.O.T. violation, at no additional charge.

With the CDL Protector, you'll also be able to improve your company's profitability by:

- Increasing driver retention
- Decreasing downtime of drivers
- Reducing recruiting and training costs
- Serving as a recruiting tool
- Improving your company's Carrier Safety Profile

The Identity Protector is designed to help protect you from the fastest growing crime in the nation. Over 50 million Americans have already been victimized by identity theft. In fact, every 3 seconds, a new victim is claimed!
